

VIMBAI HOFI

I'm a 16 year old girl from Zimbabwe in Africa and I am a twin. My twin sister's name is Vongai. There are five of us in our family. My parent's are trying to be self employed since they cannot find work. Because of our financial challenges my parents cannot pay my school fees.

When I grow up I want to be a nurse. My favorite subjects in school are science and math. I love playing football (soccer) and my favorite color is pink.

I want to thank all those who buy Yuda Bands because you are helping to raise money to pay my school fees. Thank you guys so much, may God bless you.
