

MOREBLESSING

Hi guys, my name is Moreblessing Rusere. I am a 14 year old girl. I was born on July 30, 2007 in Boma Hospital in Zimbabwe. There are four of us in our family and I am the oldest. I have two younger sisters, and one brother. My mother is a vendor and my father is self-employed. We don't have enough money for rent, food, clothes, and school fees. It is difficult for my parents to pay our school fees. I want to be educated and become a nurse. My favorite subjects are science and math. My favorite hobby is watching television. My favorite color is red. Thank you for helping me pay my school fees, may God bless you.
